

LET US CUSTOMIZE THE RED GUIDE FOR YOUR COMMUNITY

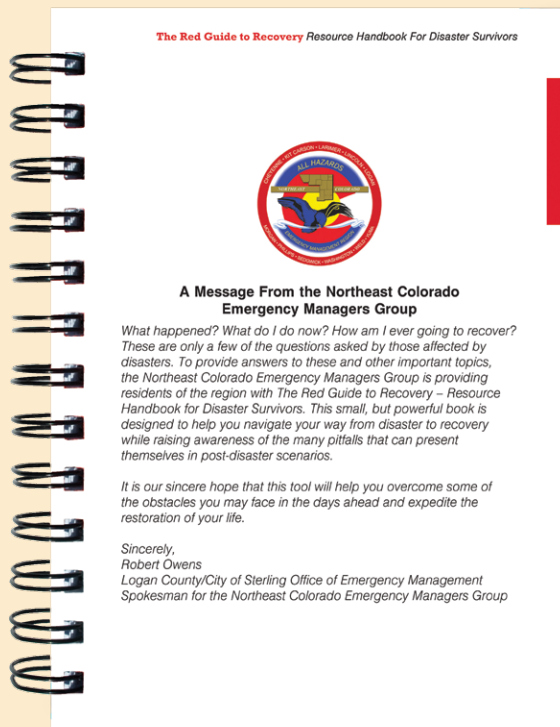

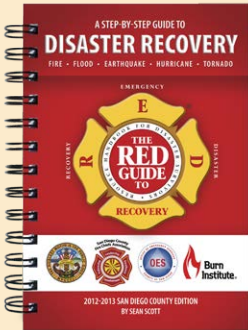

FINALLY, A RESOURCE THAT WILL HELP YOUR COMMUNITY BECOME RESILIENT TO DISASTERS!

The Red Guide to Recovery offers a wide range of customizable features that can help disaster survivors avoid becoming disaster victims.

Here are some of the ways we can tailor **The Red Guide to Recovery** specifically for your city, county, state, or region:

- 1) Placement of up to four logos or seals of your choice on the cover.
- 2) Placement of a personal message or opening statement.
- 3) Written acknowledgement of key individuals and/or agencies that are involved in the funding, development, support, or distribution of **The Red Guide to Recovery**. (Fire chiefs, emergency managers, law enforcement officials, government officials, etc.)

HELP DISASTER SURVIVORS REBUILD THEIR LIVES!

- 4) Customization of content to mention local programs or resources specific to your community or region.
- 5) Inclusion of a comprehensive local phone directory specific to your area.
- 6) Placement of a QR code that can be scanned with any type of smart phone. This will send users to websites, videos, PSA's, or other locations for up-to-the-minute information that you may want your residents to have easy access to.
- 7) For custom orders of 500 copies or more, we can add a rear pocket that can be used to hold maps, vouchers, coupons, CD's and other supplemental information.
